

# Ordering and User Guide

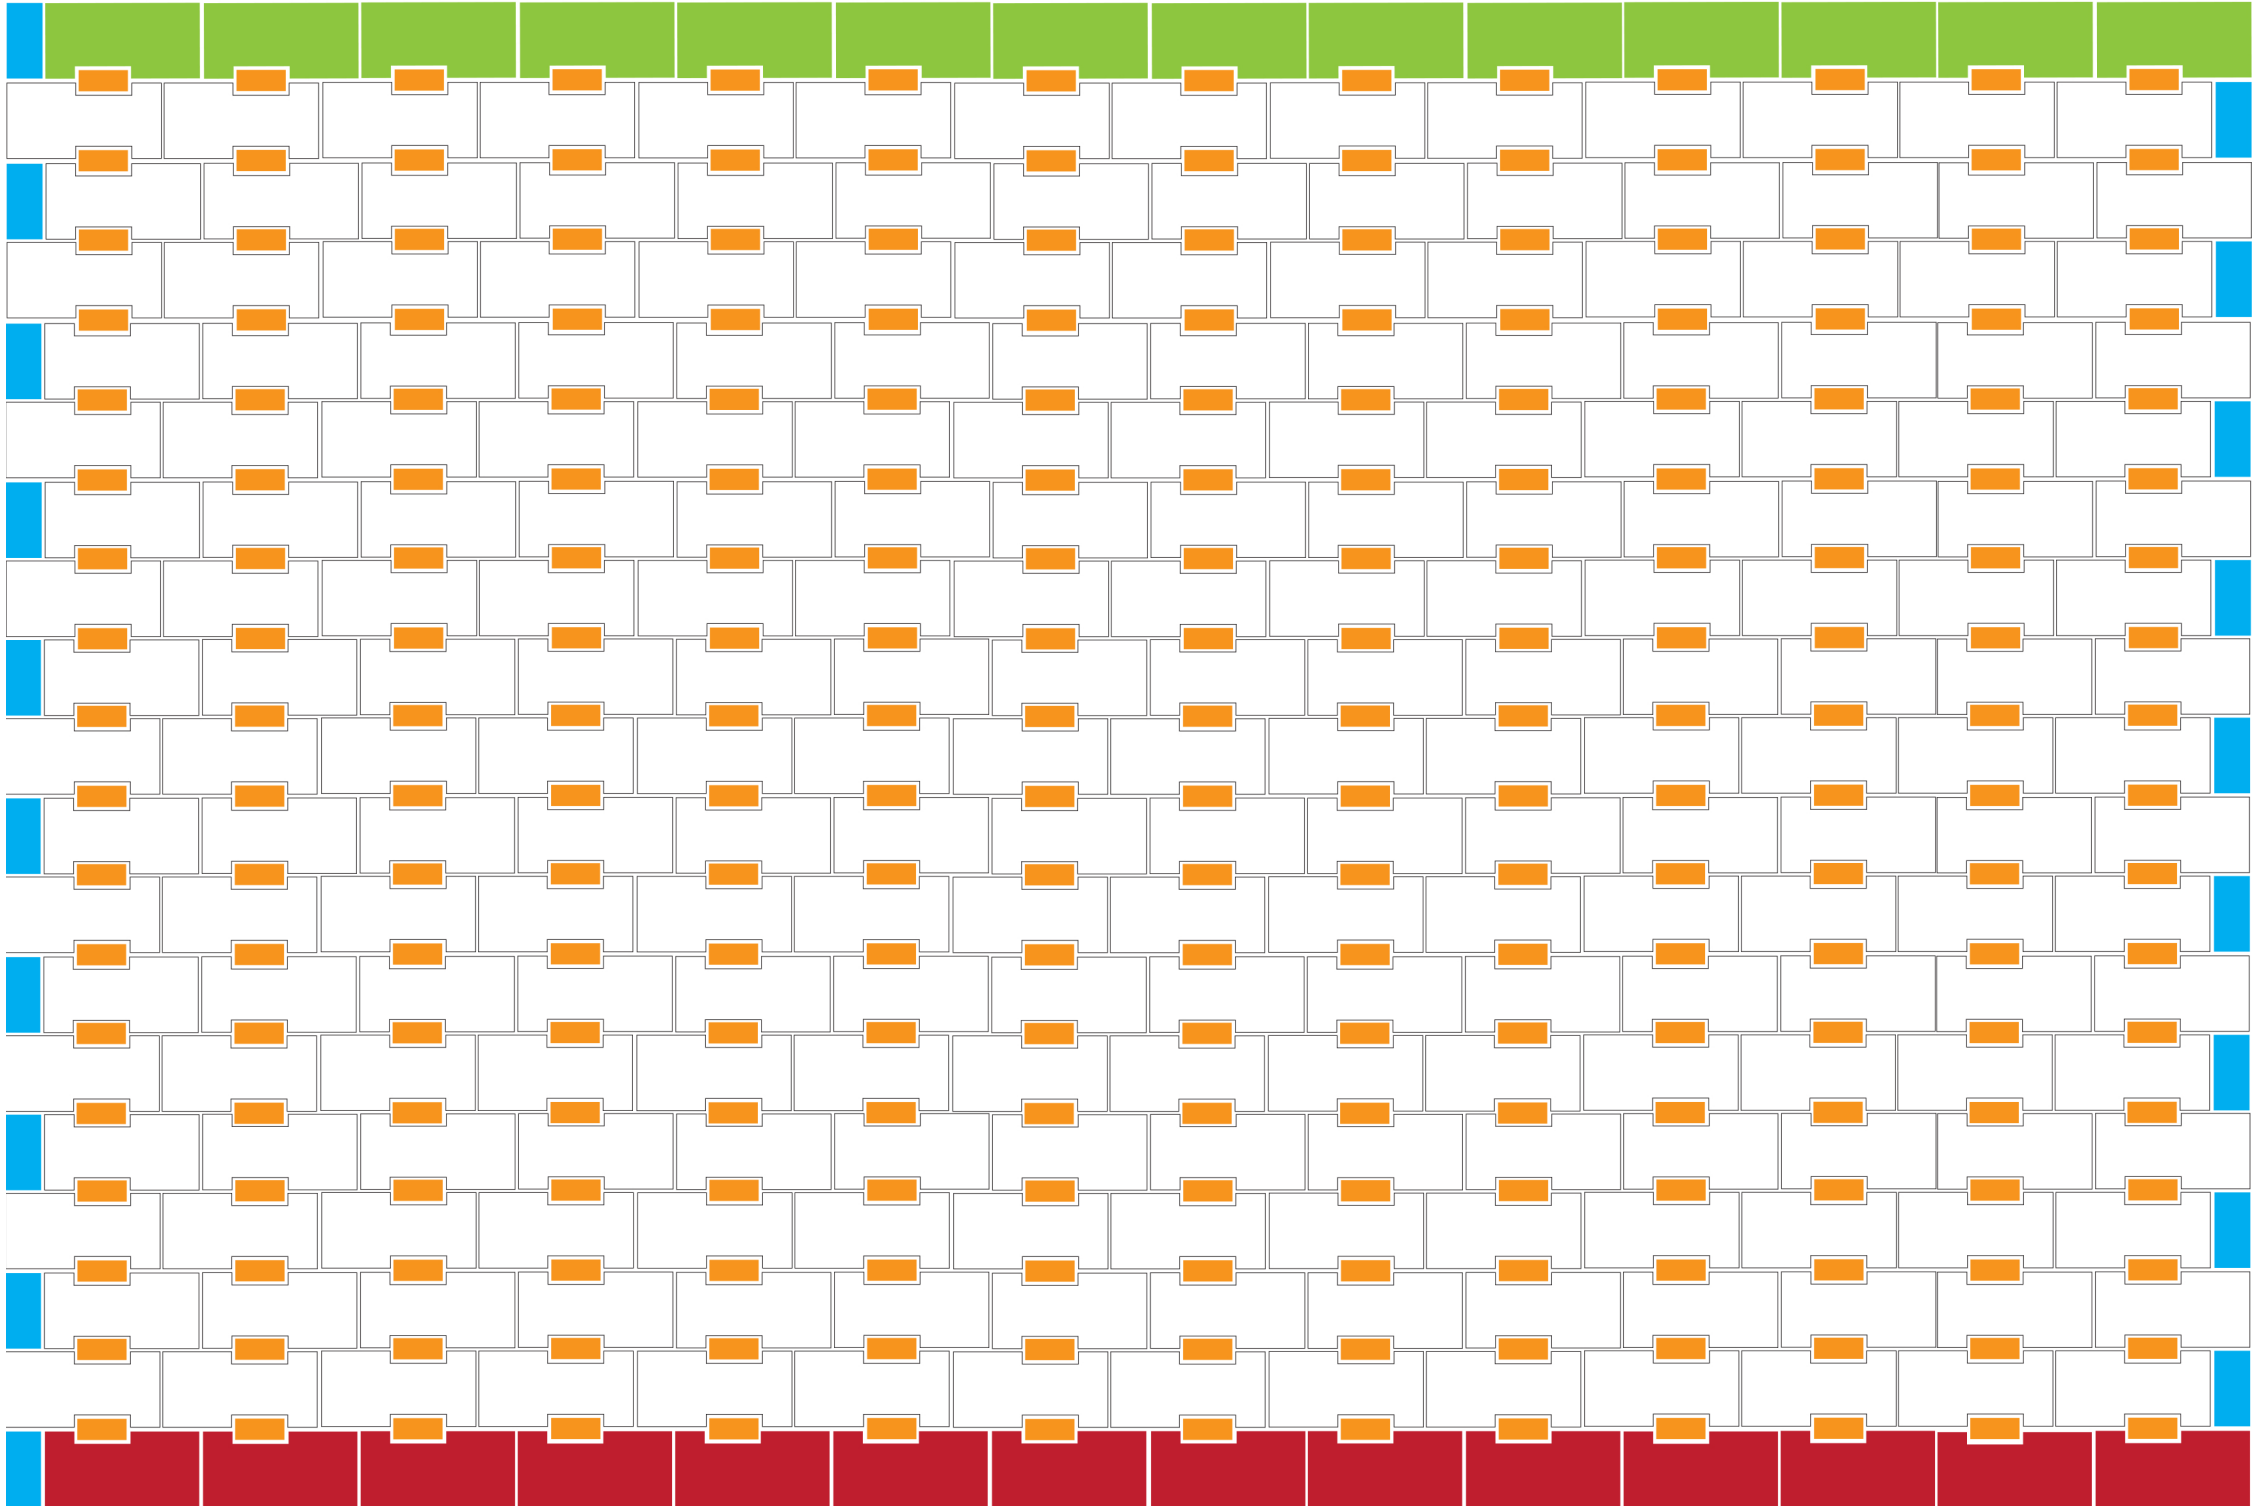

## Types Available

Designed to bond leaving a half brick quion as shown

Blocks are a nominal 440mm x 215mm, height can be adjusted with single course, width with 215mm and 102mm's or cutting, We base our estimates on a left hand block first course and starting that way will help to match our estimate to your requirements. We can do 'take offs' for you, we can also arrange a site or office visit by our technical staff.
